

Legend Trail Golf Club and Club House Parkersburg, Iowa

Legend Trail Golf and Club House is a brand new facility that opened in the summer of 2007. Its beauty and elegance are something to behold. The Clubhouse must be seen to be appreciated.

With this wonderful clubhouse and layout, we are able to handle groups from 20 to 200 plus. This packet contains information regarding menus, terms and conditions, pricing and a reservation agreement. We will endeavor to make your day a memorable and wonderful one, whether it is a wedding, company meeting or golf outing.

It is never too early to begin planning for your function. After you have looked over these materials, please give us a call and we would be glad to meet with you to answer any questions or concerns you may have. The staff is experienced, and has played host to business meetings, Christmas Parties, golf outings and over 150 weddings in its 20 plus years of managing facilities.

In order to secure your date, you will need to sign the Reservation Agreement and submit a \$200 deposit to us. We will also need a little information from you: the name of your function or organization, date and time of said function, number of guest expected, type of event you are planning and the contact name and phone number of the person in charge.

We are here to serve you and make your special day the best it can be. We thank you for your interest in Legend Trail.

We also have a special weekday, daytime only meeting rate for those that just need a place to meet with minimum food attached. Call now for that rate.

Please come out and see our fine facility. It truly is a big time facility and must be seen to be appreciated.

Thanks, Legend Trail and Clubhouse Staff
