

2011 G3 Golf GOLF SCHOOLS

A Get Golf Ready/Play Golf America Program

Adult Group -- 5 Lessons

Is this the year that you are going to begin golfing or finally start your long overdue lesson improvement plan? These lessons are designed for golfers of all skill levels; and beginners are welcome.

The friendly, experienced instructors are aware of how challenging, learning or improving golf can be. They have lots of patience and enthusiasm to help you learn to hit consistently better shots more quickly.

All phases of the game will be covered from grip and stance to hitting longer and straighter tee shots. Each person will enjoy a lot of personal attention, as well, in this small group situation. We will take you on course so that you may learn about where to stand, how to check in, how to properly throw clubs (just kidding) and more about the game we love.

These classes will be held at the All Golf Center at 1850 W. Ridgeway in Waterloo. You will need to call the All Golf Center to sign up for the classes--319-236-1010.

Adult Group Schedule:
