---

For those that played last year you have a handicap. New players, we need three (3) nine (9) hole scores by the first week of play. Turn them into our staff for calculation. We will have a 20 point scoring system, plus the other point system that allows the top three teams to play in the Statewide Tourney, hosted by the Iowa Section-PGA.

You do not need to be a member to play in this fun event. We want you to try our league, our course and to have some fun.

We will have food available most weeks that we do not have the cook your own steak.
