

## Men's Partner Golf League - 2010

### League Season

Start times are Thursday, May 20th. Each team will pay a minimum of 13 matches. There is a maximum of 36-2 man teams. We will run the league from May 20th to August 12th. We are attempting to assist the farmer's in getting their crops in that still want to play and to help on the football season on the other end. We will start at 5:30 each Thursday. Entry fee is \$80.00 per person. The fee will include the year end prizes and four (4) cook your own steaks on the last Thursday of each month. We found that 99% of you ate the steak night anyway so we will be saving you money by doing it this way. Greens fee and cart fees extra, season passes are of course honored. We do have a punch pass for those that wish to pay that way where you get 10 plays for the price of 8.

### Handicaps

New players must turn in a minimum of three (3) witnessed 9-hole rounds by May 20th. Players in the 2009 Golf League will have their handicaps from last year. If this is not completed the player starts with a ZERO handicap. Give your cards to the Pro Shop staff.

Handicaps are revised on a weekly basis. Maximum individual handicap is 18 for 9 holes. Maximum carded score is a triple bogey on any hole.

**SUBS:** must have a league handicap or USGA (GHIN or Handicomp) Handicap to be eligible. If you have someone that wishes to sub they must have 3 (three) 9 hole scores turned in prior to play otherwise they may sub but will be a zero handicap.

### Scoring

Teams listed first on the schedule scores the match. Both teams should sign the scorecard. Turn the cards into the Pro Shop each night. We will have two scoring systems.

The **main league** scoring will be based on twenty points per match. The A player plays the A player, the B player plays the B player. Each hole is worth 1 point (ties are split) for a total of 9 points and then 1 point for low net. The team points will total 20 points each week.

The other scoring system is the Golf League Championship hosted by the Iowa Section of the PGA and Handicomp. This second system allows us to send the Top Three Teams in that scoring system to the State Championship to be held in September. It is a little more confusing but all Greg has to do is enter in your scores.

### Rain Outs/Make ups

If the course is closed due to inclement weather, you will have one week to make-up the match. NO EXCEPTIONS. If you are unable to make it up, both teams will be scored with a zero. Depending on the number of teams that sign up we will build in a make-up week(s) for inclement weather.

Otherwise you must find a sub for each Thursday. If one team shows up and one or none of the other team members show up the players will play the golf course with their handicap for the appropriate

## Men's Partner Golf League - 2010

points. No make ups will be scheduled after that Thursday you are to play. It is your responsibility to find a sub or show up.

### Local and League Rules

Roll the ball in your fairway only. Play the ball as it lies in all other situations. If your ball lies on bare dirt, you may pick, clean and place the ball, no penalty, one club length no closer to the hole. This will be self-policing and your cooperation will be appreciated.

Short putts may be given to your opponent at your discretion. Avoid slow play-keep the league moving.

Note: schedules will not be mailed. They will be given out at the Pro Shop or on-line [www.g3golf.com](http://www.g3golf.com) not later than May 18th.

We will have a link for you to view the results each week on-line. Also we will still have the league corner by our main office.

We may adjust the schedule depending on the number of team entered. You DO NOT need to be a member to play in our league. This is to encourage more players to try our fine, new facility.

The Golf League Committee: Marc Reifenrath, Derek Etjen, Aaron Thomas and Virgil Goodrich
